 - Exceptions to these arrangements would be children who suffer from chronic illness or disability, which requires constant medication or pupils with a prescription from a G.P. that specifies times that fall within BASC hours.
 - If exceptional circumstances apply, a medical permission form will need to be completed prior to leaving a child in club.
5. If the opinion of the Club Manager is that a child is not well enough to attend, the parent/carer will be contacted in order that the child is collected immediately from the Club until such time as he/she is fully recovered or no longer needs to follow isolation advice.
6. If a parent has a complaint about the Club or a member of staff, they should contact the Manager in the first instance.
7. Child Protection and safeguarding procedures to enter and depart club should be followed as instructed when registering.
