

Pre-Event Information

Your team from Grafham for the weekend are:

Club Host

RO: Peter Curtis

Club Office: Anna Aldridge & Izzy Fuff

Coxswain: Przem Poblocki

On arrival:

Please follow the instructions from the car parking team about parking.

Camping and overnight:

The Clubhouse toilets will be available over the weekend. There is also a Portaloo toilet for use on the East side of the clubhouse.

Car & Trailer Parking:

There should be someone to greet and direct you at the gate on Saturday morning. If not: the grass areas in the visitor's car park are still too wet to park on. Trailers can be placed on the grass and cars parked along the roadway in this area.

Campers can proceed directly to their booked space, rig there and launch from slipway 2.

All other parking will begin along the road above the dinghy park beginning at Slipway 5. **Please park cars and trailers perpendicular to the road** so that the space is used efficiently. Trailers must be moved onto the grass behind the car - this carparking gets very busy on Sundays.

Event communications:

Will be described in the NoR.

Wash down:

Boats must be washed down before leaving the Club to comply with non-native species guidance. The main wash down facility is on the Shrimp Alley to the west of the clubhouse. There will also be a hose on slipway 2 on the east side of the clubhouse.

Catering:

The café on the ground floor of the Clubhouse will be open both days of the event. Breakfasts will be available from 0830 each day.

Safety & Security:

Please do not walk through fenced off areas: they are fenced off for your safety.

Take particular care of the coxswains' slipway (East side of the Clubhouse in front of the coxswains' shed) as there are regular tractor movements on this slipway

The fire exits from the Clubhouse are marked – the fire muster point is on the grass of the roundabout on the land side of the Clubhouse.

Please do not leave valuables in the changing rooms: there are lockers (green) in the café area which take a £1 coin

SAILING

Race Area:

Will be confirmed on the Online Notice Board and at the competitor briefing.

First race of the day:

Our aim is to start on time on both days: please allow adequate time for launching; take into account the number of competitors [including club members on Sunday] trying to launch and plan accordingly.
