Briefing

There will be a short competitor briefing at 1020 on Saturday morning the shore side of the Clubhouse. Everything you need to know however should be in these notes, the Notice of Race and the Sailing Instructions.

SAILING**Launching,**

The water level is much lower than normal, and there is much mud in the slipway areas, please take care when launching, giving yourself plenty of time to get to the sailing area. Please also be aware that on Sunday morning club racing will be taking place, which may cause congestion.

Race Area:

This is likely to be the West end of the Lake but will be confirmed on the Online Notice Board

Courses:

These will be displayed on the Starboard side of the Committee Boat (see SI 9.1). Make sure you check for changes between races.

Starting:

It is intended that we will use 'U' Uniform as the preparatory flag, at least initially, for the first attempted start in each race, moving to 'Black flag' in the event of a general recall. Note the start sequence (SI 12.1).

Finishing:

Note the finishing line off the bow of the Committee boat, as described in the Addendum to the Sailing Instructions. Sound signals at the finish are optional: we will most likely signal only the first three finishers in each class.

When approaching the leeward gate 2S/2P the leading boats in particular should be alert to the possibility of a shortened course, as signalled in accordance with SI14.3.1

Trash:

Carry your own personal supply of food, drink and kit, you will not be able to deposit your dry bags nor trash in the safety boats.

First race of the day:

Our aim is to start on time on both days: please allow adequate time for launching; take into account the number of competitors [including club members on Sunday] trying to launch and plan accordingly.
