

Leigh and Lowton Sailing Club
Junior Long Distance Team Event
Saturday 26th June 2021

Supplementary Instructions

These instructions are designed to give some additional information which may be useful in preparation for the event.

1 TEAM DETAILS

We require all team to provide a list of team members by the close of play on Thursday 24th July so that we can organise the day. Any further changes will be at the discretion of the OOD.

2 BOAT PREPARATION

We have moved the start time to 09.00 (finishing still at 20.00) to allow more time in the morning for rigging so that teams can rig and prepare on the day if they wish. However, teams are welcome to arrive anytime from Thursday afternoon through to Saturday morning to set up. Access to the site will be available from 12.00pm on Thursday 24th July until 8.00pm on Sunday 27th July using code: **4791**. We will have a club member present on Friday evening to assist team arriving and setting up, we will liaise with clubs nearer the time on their requirements.

3 ARRIVAL AT THE CLUB

On arrival at the club please scan in using the COVID App situated at the entrance. Boats should be unloaded in the top car park and walked down to the foreshore.

4 GAZEBOS and CHAIRS/TABLES

Teams are welcome to bring gazebos and encouraged to bring their own chairs. Teams will be required to maintain as far as possible their own "team bubble" when not accessing the galley.

5 GALLEY OPERATIONS

There will be a take away service all day during the event from early breakfast options through lunch to cake and late snacks. Please note that masks are required and there is a one-way system operating in the clubhouse area – entry through the front door and exit through the lounge patio.

6 CAMPING

There is potential for camping for team members setting up boats by arrangement although space will be somewhat limited. Please contact us for details of your team's needs for the event so we can accommodate, discourage people from camping without booking with us first.
