Thank you for your purchase of the RYA Safe and Fun course!

We will work to get you set up on the RYA system as soon as we can. Once this is done, you will be able to log in by following the process below. Please note that while the details will be as below, they may not yet be registered - please allow us two working days to get you set up (most of the time it will be less).

1. Head to www.ryainteractive.org
2. Enter your username which will be `firstname.lastname`
3. Enter password, which will be changeme
4. You will then be prompted to change your password, and fill in your profile details. Ensure that these are all correct.
5. If you are stuck on the profile page, it means you have not filled in all the details.

We hope you enjoy your online course. Remember, we are only ever an email away if you need support, and will be happy to talk through any issues you are experiencing.

Many thanks,

The Lyme Regis Sea School Team
