## SCOUSE

Scouse is a dish that's as famous as the city itself,  
and the reason that Liverpudlians are called  
'Scousers.'

The word itself comes from lobscouse, a stew  
commonly eaten by sailors throughout northern  
Europe as far back as the 18th Century. The dish  
is believed to have been brought to Liverpool in  
various forms as part of the city's booming docks.
