COURSE CHOICES

Water Rats Those who are aged 6+ years are welcome to come and have their first experience of sailing and watersports fun at NBYC. Designed for confidence building and fun on the water, the Water Rats will do some sailing, paddling and have lots of fun in the safe confines of the broad.

Stage 1 & 2 For those with little or no sailing experience, age 8+ through to those who have completed their Stage 1 and are working towards their Stage 2. This course will offer participants the opportunity to work on their sailing skills, with instructors tailoring lessons to meet the needs of the group. Those without an RYA logbook will be given one, and students will be able to get items ticked off towards their stages. Please be aware that whilst it will theoretically be possible to complete a stage over these three short days, it is very probable that students will not manage to get all elements of the syllabus ticked off and will need to complete the stage at a later date.

Fun in Fevas Suitable for anybody who has completed their Stage 3, and would like to have fun in RS Fevas. You do not have to have completed your Stage 4 to participate. We will pitch the syllabus to the strengths and experience of the group, with a variety of skills being offered. Please note this is not an RYA course.

CLOTHING TOP TIPS

We will be aiming to get students on the water, regardless of the weather, so please come prepared for all conditions! We suggest your kit bag includes:

Wetsuit or drysuit, suitable under wetsuit layers, hat (warm hat or sunhat), sailing gloves, shoes with closed toe, suncream, towel & a dry change of clothes

If you have any questions, please email us on - training@nbyc.co.uk and we will get back to you as soon as possible.
