Description

Description.

As featured in Women's Health and IndyBest as their Best Overall Changing Robe 2024

The EVO evolves what a change robe can be. Comfortable, lightweight, and packed full of high-spec features.

Designed and tested by active outdoor professionals, with an EVO you'll feel ready to take on even the harshest weather, helping you to get dry, keep warm and remain covered. The 8k/3k waterproof and breathable outer shell with PFC-free DWR keeps water out, whilst the cosy deep pile lining dries you easily and cocoons you in insulating softness.

Packed full of premium practical features not offered by most alternatives...

An Evolution in Changing.

Here at Red we continue to create, develop and EVOLVE our products. We work to continually improve quality and performance, so our Red community have assurance that their kit is cutting edge.

With market leading expertise and extensive customer insight, we challenge ourselves to ensure our range evolves in synergy with people's usage habits.

Introducing the Pro Change Robe EVO.

An evolution of the changing robe, designed for professional-level performance.

EVO Fleece Lining.

The EVO inner is constructed in super-cosy, moisture-wicking, luxurious 300gsm Sherpa

The plush, fur-style texture feels incredibly comfortable next to the skin and wicks moist
